

For those that missed Presentation Day last Sunday it was a great day with around 120 in attendance at the Telegraph Station, it was a great opportunity to thank and reward the players for their contribution to the MRCC for season 2009-10, it was also good to show appreciation for those that have assisted us throughout the season.

Congratulations to Division one Premiership winners in the Twenty20 and 2 Day competition. Well done also to Division 2 on making the grand final, we have a very committed team with a lot of potential.

This season started before the first round with 60 recruits to the club paid and signed up on registration day, prior to the beginning of the season we ended up with around 80 players across 7 teams. We could again see the signs that the MRCC would be a strong club.

With the assistance of the coaches for each team the season went smoothly,

Division 5	Rovers	Monica Jenkins
Division 4	Rovers	Chris Rudd
Division 3	Rovers Lightning	Scott Nicolai
Division 3	Rovers Storm	Glen Bull
Division 3	Rovers Thunder	Brendan Smith
		David Quan (Absent)
Division 2	Rovers	Charlie Dick
Division 1	Rovers	Steve Jones

As stated on Sunday it was much appreciated that time was taken to manage these teams and from what I have heard it is great to see the players developing throughout the season.

From the 8 coaches we have 5 playing in a senior Grand Final this weekend (it would be 6 though David Quan is having shoulder surgery later this week).

I would like to acknowledge the following players that have stepped up this year when required.

➤ **Tom Isgro from Division 3 Rovers Thunder to Division 2**

When asked there was a little hesitation but Tom stuck it out for several weeks to help us out. We hope he enjoyed the time and learnt from the experience.

➤ **Liam O'Toole from Division Rovers Lightning to Division 1**

In a time when Division 1 was only 2 days out from their semi final Liam was approached (right place at the right time) by Jonsie and was happy to step up to the mark. Liam was part of the Division 1 premiership side also.

➤ **Willy Riley from Division 3 Rovers Thunder to Division 2**

Willy helped Charlie throughout the year and played very well with the bigger kids.

➤ **Mitch Palwelski-Cameron from Division 2 to Division 1**

Great effort on the day taking 2/15

Throughout the year there were several juniors that made selection for senior teams;

Some of these players provided some outstanding efforts in some of the games as I have listed.

When asked to do this role a was very hesitant as I had previously had very little to do with junior cricket, with assistance throughout the season I have learnt a lot

I have enjoyed been involved with the club at this level and to see the players develop over time.

It has given me the opportunity to meet a lot of parents and players which has been great.

As earlier mentioned we have 80 players across 7 teams, to manage them takes a lot of time and effort initially to organise, we have tried to satisfy all the requests and I am sure you can appreciate that not all can be meet.

We encourage feedback to improve different aspects of the club and will take all on board for next season.

Thanks to the players for their participation, coaches for their time and effort & parents who have supported their children this season it has been great to see them all enjoying the game and it is our pleasure to have them at our club.

I would like to make special mention to the clubs executive team, headed by Terry Weeks, Tom Slattery, Scott Nicolai, Cherrie Hughes & Steve Ditcham, these guys get little appreciation and put a lot of time and effort in ensuring our club runs as successful as we are, there dedication is a credit to them and it has been great to work with them this season.

I would like to acknowledge Murray MacAllister for his assistance early in the season, also Scott Nicolai has been of great support throughout the year, without their help the juniors would not have been as organised.

Thanks to those that assisted on presentation day, whether it was helping to cook or bringing a salad it was appreciated.

Thanks for those that attended presentation day, we have enjoyed having you part of the Memo Rovers Cricket Club and look forward to next season.

At this stage mark in Saturday 18th September for registration day, we will be in touch with you before hand.
